FOR IMMEDIATE RELEASE

UNITED SUPPORT SOLUTIONS LAUNCHES NEW WEBSITE

Cedar Grove, New Jersey – JANUARY 11, 2012 –United Support Solutions, Inc. is pleased to announce the launch of our new web site! The site went through a complete redesign, not only for a fresh look and feel, but to also be a complete resource for all stakeholders. Visitors will see the true breadth of one-stop manufacturing and support services that United Support Solutions offers.

A highlight of features:

- Get acquainted with United Support Solutions and what we can offer
- Attractive collages, showcasing our manufactured parts in a “big picture” environment
- Growing and Evolving Resource with up-to-date news, career opportunities, product collages, and new capabilities
- Easy navigation
- Enhanced content

We invite you to visit the website @ <http://www.unitedss.com> and welcome feedback.

About United Support Solutions

Celebrating thirty-two years in business, United Support Solutions is an ISO 9001:2008 and ITAR registered firm, producing critical components and assemblies for defense and aerospace applications. United Support Solutions provides a full spectrum of one-stop manufacturing services, from engineering support, to sheet metal fabrication, machining, finishing, painting, powder coating, silk-screening, assembly, integration, and kitting.
