FOR IMMEDIATE RELEASE

UNITED SUPPORT SOLUTIONS WINS \$37.4 MILLION CONTRACT FROM U.S. ARMY

Cedar Grove, New Jersey – JANUARY 14, 2013 –United Support Solutions, Inc., a manufacturer of defense and aerospace components, has been awarded a contract from the U.S. Army with a total value of \$37.4 Million to provide manufacturing and kitting services of soldier support equipment for Force Provider. Work will be performed in Cedar Grove, with an estimated completion date of March 15, 2017.

Melissa Ostering, Director of Business Development, says “we are pleased the U.S. Army has selected United Support Solutions. We look forward to leveraging our past experience and expertise in manufacturing and kitting competencies to help the U.S. Army meet critical requirements in supporting soldiers’ missions”.

About United Support Solutions

Celebrating thirty-three years in business, United Support Solutions is an ISO 9001:2008 and ITAR registered firm, producing critical components and assemblies for defense and aerospace applications. United Support Solutions provides a full spectrum of one-stop manufacturing services, from engineering support, to sheet metal fabrication, machining, metal finishing, painting, powder coating, silk-screening, assembly, integration, and kitting.
